

# You're in a CEP school!

**The Community Eligibility Provision (CEP) provides nutritious meals at no charge to all students enrolled in this school. The CEP program is directed toward schools in economically disadvantaged areas. The United States Department of Agriculture administers this program under the National School Lunch Program.**

**Your school will ask you to complete a household and income form to determine your eligibility to receive additional benefits and determine school funding levels through both state and federal programs. Completing the form will only take a few minutes and will benefit you and your school. Return this form, along with your other registration materials, to your school district contact.**

**Questions on completion of the form should be directed to your school's FRAM Coordinator. Your district's Food Service Director can answer any questions regarding the CEP program.**
