New at HealthierGeneration.org/schools

Support the Alliance for a Healthier Generation this Summer!

Although the dog days of summer are here, there are still a number of ways for you to engage with the Healthy Schools Program to support your efforts and ours.

Help the Alliance earn $500,000
From today through August 1, Sam's Club® Members can support the Alliance for a Healthier Generation by going online and voting to "Prevent Childhood Obesity." Voting is open to all Sam's Club® Members. Members can vote once per day and it is totally free to participate in this promotion.

Tell Your Friends to Join the Healthy Schools Program
More than 12,000 schools across the country have joined the movement to make our schools healthier places for students and staff to learn, work and play. Healthy schools can be the norm - help us spread the word!

Send to a Colleague

The Healthy Schools Program is dedicated to providing information and tools to help fight childhood obesity. Our goal is to provide you with the latest events, news (local and national), as well as resources and funding opportunities directly related to children's health and wellness. Join Now >>

Be sure to pass this newsletter on to other members of your School Wellness Council or in your community who might find this information helpful!

Join us in Nashville!
Are you attending the School Nutrition Association's Annual Conference? We want to see you there!
