

TRIKE-A-THON

St. Jude Children's Research Hospital®

September 29, 2018

Dear Parent or Guardian:

Walker Early Learning Center is excited to participate in the 17th Annual St. Jude Children's Research Hospital® **Trike-A-Thon** program. **Trike-A-Thon** week will kick off on October 15th, 2018. **Trike-A-Thon** is a fun curriculum that teaches children riding-toy safety lessons through a series of interactive stories while raising money for St. Jude. At the end of the week, we will practice the rules we learned with a **Trike-A-Thon** event.

You are a big part of making this program a success. Attached you will find a Sponsor Form Envelope to list the names and donation amounts of family and friends. Please help your child collect all donations and turn in the Sponsor Form Envelope. All checks and money orders need to be payable to Walker Early Learning Center (per our auditor's advice). A check from the school for the total donation amount will be mailed to St. Jude.

On the **Trike-A-Thon** day, **October 18th** for preschool and **October 19th** for Kindergarten, you will need to make sure your child brings all donations that you have collected in the provided Sponsor Form Envelope along with their Prize sheet. We will be using our trikes and helmets for the **Trike-A-Thon** event.

Of course, the best reward for participating is knowing your family has made a difference in the life of children suffering from cancer and other catastrophic diseases. You and your child make it possible for St. Jude to treat patients regardless of a family's ability to pay. To learn more about St. Jude, visit www.stjude.org.

Please visit www.stjude.org/trike for additional information regarding the **Trike-A-Thon** program including the safety lessons and prizes.

Thank you,

Mrs. Angela Ballinger
