Bully Free is the Way to Be!

Senture Anti-Bullying Poster Contest

Senture is committed to helping stop bullying in school!
If you are being bullied... tell an adult, stay calm and confident.
If you witness bullying... interrupt it by speaking up for the person being bullied and find an adult to intervene.
If you are the bully... make a commitment to change, think about what it feels like to be bullied, and resist pressure from others to be a bully.

What are some things YOU can do to make your school a place where no one gets bullied?
Create a poster that shows what YOU can do to stop bullying in your school.
