

# Moving Reading Forward

Through Sustained  
Focused Efforts

at

Wayne County  
Schools

The results are in...

Wayne County students are earning high achievement marks in reading due to an ongoing educational initiative teachers have delivered in the classrooms.

Thank you to our dedicated students, staff, parents and community for working so hard on this journey.

*Remember, students must “learn to read” in order to “read to learn” as they progress through their public education.*
